A Little Background...

Communications touches everything we do at the Presbyterian Church of Morris Plains. Our dedicated office staff manages the day-to-day sharing of information via email, Good Tidings newsletter, our internet site (www.mppresby.org), the weekly church bulletins, and more. A variety of ministries use these vehicles to communicate upcoming events, opportunities, and needs.

These efforts reach our congregation as well as non-members who are touched by activities at our Church, like our Joyful Noise families. They also stretch beyond our walls to community members who want to find a Church home.

We Want You to Get Involved!

Whether you want to put a talent to good use or want to develop a new one, there are lots of ways you can get involved.

Communications Ministry:

Keeping information current and meaningful isn't easy, especially in a world where so much is competing for our time and attention. The Communications Ministry was created in 2010 to help coordinate and enhance the ways we shared information within – and beyond – our Church.

The ministry doesn't *do* all the communicating. It provides a framework to help make it all happen. And of course, we like to get a little creative and have a lot of fun along the way!

Our initial strategy nurtures four important constituencies:

1. *Current congregational members*
 - Inform
 - Foster a sense of belonging
 - Encourage increased participation
2. *Church leaders:* Enable them to promote their missions within and beyond our Church's walls, cultivating increased participation
3. *Non-members affiliated with our Church:* Extend a warm welcome mat
4. *Community at large and guests:* Extend a warm welcome mat
